Sidebar For Youtube Description is an add-on for Opera that shows short descriptions of your videos when clicking on them. The toolbar is located at the top of the screen and can be panned to access the icons for managing other information on the YouTube page or the search function. Highlights Allows the display of a short description for any video you find on YouTube. You can customize the quick actions of the toolbar, including the controls for managing your favorite videos. You can display a notification every time you watch a video. The sidebar includes a switch that blocks new content. The sidebar has all the information on your videos. You can access your favorite videos anytime and read a small description of the video to know more. The sidebar can be pinned to view your favorite videos anytime. Limitations You can't create a playlist. The sidebar doesn't fit as normal, so you can't scroll on your screen without disturbing it. When the sidebar is pinned, the controls for the active video cover the areas where the icons for the sidebar are. The sidebar covers the address bar and that is why you are unable to type your URL in. Safer Sidebar For YouTube Description is powered by the Fanatec Keyboard, a cost-effective keyboard that will fit in your pocket. The functionality is different between the versions. The Opera version of the add-on is called Sidebar for YouTube Description and contains a blacklist that blocks adds inside. The Opera Beta version contains several improvements and the Fanatec Keyboard can be used with Opera Alpha version of the add-on. Sidebar for Yt. Sidebar for Yt. is an Opera add-on that creates a sort of mobile view for accessing the YouTube page. This feature has many features that improve navigation inside the site and makes it simple to reach videos, channels and even comments. Let's get started Just click the button from the upper right corner to start the process. The sidebar will pop up in mobile view. The interface is very simple, and besides the usual controls, there are also a few icons for managing most of the features on YouTube. You can change the display of a notification when you watch videos, enter the search panel, customize the shortcut buttons on the toolbar, and read the description of your favorite videos or channels. In addition to all that, the sidebar features a blacklist that helps you avoid ads while watching your favorite videos. In this way, you won't be bothered by them
